SARASOTA

Turn on the light.

To stand in a kitchen like this and know it's yours is a feeling surpassing exhilaration—not only for the perfect end-result, but because you've enjoyed every step of the journey. Creating a new kitchen should be inspiring, not arduous. Let us show you how.

Rekindle the heart of your home. **In fact,**

Make your kitchen phenomenal—the perfect place to relax and entertain everyday. From design to installation, we can coordinate everything—engaging you in a discovery and decision process that's so enjoyable, you won't believe how easy it can be. We take the anxiety out of renovation or new construction, delivering a kitchen that's all you've imagined and more. And our entire service is complementary, in every sense of the word.

set it ablaze.

Ignite your appetite—with exquisitely crafted cabinetry from Cucine Lube of Italy. You'll be amazed how fast we can deliver an accurate quotation—even your entire order. The average turnaround time on gorgeous cabinets like these, installed, is only 6 weeks. With Lube, a stunning new look is closer than you think.

Awaken the senses with **fresh new looks**

Wake up to a sensational new kitchen that projects your unique sense of style. The range of colors and finishes we offer is extraordinary, the ways we put them together—fresh and unexpected. But what's truly provocative is how affordable it all is. Beneath our crisp, clean lines and artful presentation, you'll find a price that's equally refreshing to the eye.

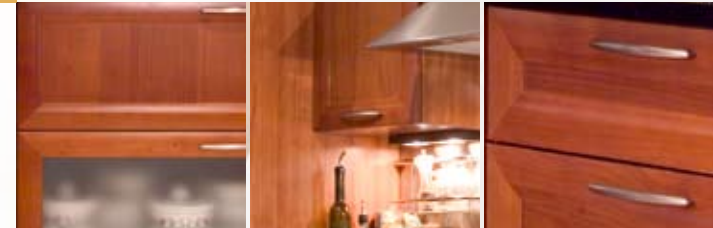

that bring **zest** to the soul.

Shelter in the warm patina of tradition

Go for bold, bright and contemporary, more traditional looks with warm, refined woods—or somewhere in-between. Our designers will help you define the kitchen personality that's right for you. Ours is a patient and forgiving process that translates your preferences into real life luxury and functional performance you'll savor every day.

with a twist.

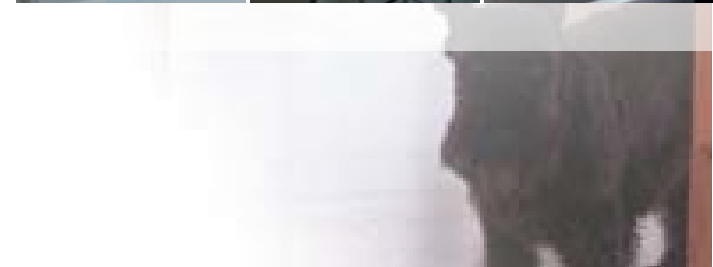

Discover a more **perfect union** between

A kitchen that expands the space it inhabits, yet is perfect to the last detail. That's the Lube difference. It starts with precise measurements at your home to ensure an accurate quotation. If you already have an architect, interior designer or builder, we'll work with them to enact a flawless installation. Or we can provide detailed design drawings, code approval, even a trusted builder whose craftsmanship and scheduling proficiency ensure a brilliant finish.

beauty and utility.

No one surpasses Lub for artful precision in the kitchen. Our beautiful cabinetry is crafted to the most demanding tolerances, and offers an astounding range of functional options. Every element of your design—from appliances to spice racks—is placed to ensure your kitchen lives as good as it looks.

Find the journey as illuminating as

the destination, the source of infinite new beginnings.

Break out of the usual kitchen mode! At Lube of Sarasota, we offer fresh new looks you won't find anywhere else and a way of creating them that transcends the typical frustrations of the DIY approach.

As a real estate developer, I've translated my own lessons learned, my thirst to offer something beyond trend—namely incomparable quality and value—into everything we do. In offering Cucine Lube, we bring you the best of the best. Precision quality. Flawless style and function. And amazing delivery times—from Italy to you, installed, in 6 weeks on average.

Delight yourself, not do it yourself. That simple change in scope makes all the difference. So when the auspicious day arrives, you'll be energized, relaxed, and ready to greet the world—in a setting worthy of every celebration yet to come.

Since 2002, we've delighted Sarasota's most discerning homeowners and builders with kitchens that truly are stunningly designed, impeccably crafted and surprisingly priced. Come visit our showroom for a glimpse of what a Lube kitchen—your Lube kitchen—can be.
